## Your tour

Your time is short, your cycling desire unlimited? Then this trip is just right for you! In just four days you will cycle around the Obersee, the largest part of Lake Constance. An early arrival in Constance is recommended, because you will already start pedaling on the day of arrival. After a ferry ride across the lake, you'll get to know Meersburg, pass sun-drenched vineyards and apple orchards, explore Lindau's Old Town Island and treat yourself to a dip or two in the refreshing Lake Constance water on the Swiss side of the lake.

## Stages description

### Day 1: Individual arrival in Constance, cycle tour to Lindau, approx. 50 km + ferry ride

Arrive in Constance by 10.00 a.m., drop off your luggage and get right on your bike. You cycle to the Constance district of Staad and from there take the car ferry to Meersburg. Enjoy the magnificent panoramic view of the Alps, the island of Mainau and the hilly hinterland. The ferry docks in the small medieval town of Meersburg. Take your time and visit the oldest inhabited castle in Germany. On flat

paths you roll through Hagnau and Immenstaad to Friedrichshafen. The beautiful lakeside promenade offers many opportunities for a snack. Strengthened, a visit to the Zeppelin Museum is worthwhile, not only for technology fans. Your cycle tour continues through a nature reserve to Eriskirch and the beautiful little holiday resorts of Langenargen, Kressbronn and Wasserburg. Always with the Swiss Alps in view, you continue cycling through meadow orchards to your first stage

destination. The island town of Lindau welcomes you with the Bavarian lion at the famous harbour entrance. Treat yourself to an ice cream on the beautiful promenade as the perfect end to your first day of cycling.

**Day 2: Lindau – Arbon, approx. 50 km**

You will reach Bregenz in Austria on flat paths. Since there are many opportunities for swimming along the shore, take the opportunity to jump into the cool waters of Lake Constance. In good weather, a trip to the local mountain Pfänder is also worthwhile. The Pfänder cable car will take you quickly and silently up to the mountain station. From up here you have a great view of Lake Constance and the Alpine peaks. After this excursion, your bike tour will take you further into Switzerland and the Rheindelta nature reserve. Afterwards you cycle towards your today's stage destination Arbon.

**Day 3: Arbon – Constance, approx. 30 km**

Following the banks of the lake almost all the way, you cycle through the small town of Romanshorn back to Constance. This route is flat and, with the exception of strong west winds, easy to master. Again and again you come to bathing spots where you can refresh yourself in the cool water.

**Day 4: Individual departure**

After breakfast you start your individual return journey home or extend your stay.
