## **Stages description**

### **Day 1: Individual arrival in Constance**

Take the opportunity to visit the island of Mainau, wander through Constance's old town or visit the aquariums in the Sea Life Center and go to the Archaeological Museum.

### **Day 2: Excursion to Unteruhldingen, approx. 30 km + boat and ferry trip**

First you cycle to Wallhausen, from where the boat takes you to the other side of the lake to Überlingen. Always along the lake you go to the monastery church Birnau, where you can enjoy a great view of the lake. In Unteruhldingen you will visit the prehistoric pile dwellings. From Meersburg, the car ferry takes you back to Constance.

### **Day 3: Constance – Meersburg – Friedrichshafen, approx. 25 km + ferry trip**

From Constance, take the ferry to Meersburg. Visit the castle there and let yourself be carried away into the time of the Middle Ages. Continue not far from the shore of Lake Constance to Friedrichshafen. In the Zeppelin Museum, technology enthusiasts will get their money's worth and gain insights into the history of airship travel. From the Friedrichshafen waterfront promenade you can enjoy a beautiful view of the lake and the Alps.

### **Day 4: Excursion to Ravensburger Spieleland, approx. 30 km or bus**

The cycle path to Ravensburger Spieleland is actually not very far but hilly. Therefore we recommend taking the bus from Friedrichshafen (not included) directly to the amusement park. One day there is nearly not enough, there is just so much to see, to try out, to build and to play!

### **Day 5: Friedrichshafen – Lindau, approx. 30 km**

When you haven't visited the Zeppelin Museum so far, you should do that today! The way to Lindau goes by quickly, so you have more than enough time to check out the famous Zeppelin airships. Afterwards you cycle through Langenargen with its pretty Montfort Castle to the Bavarian town of Lindau, whose harbour is watched over by a 6-metre high lion.

### **Day 6: Lindau – Rorschach / Arbon, approx. 35 / 45 km**

You should take your first break in Bregenz: The cable car lifts you up to the top of Mount Pfänder above Bregenz and the Lake Constance area. On top you cannot only enjoy the view but also say hello or „Servus“ like the Austrians to the animals at the petting zoo. Back on your bike you reach Höchst, where you soon cross the Swiss border, and reach Rorschach and a few kilometres further Arbon.

### **Day 7: Rorschach – Constance, approx. 30 – 50 km**

The last day of your tour takes you through Romanshorn which is home to Switzerland's largest harbour on Lake Constance. Now you continue on along the banks of Lake Constance back to Constance. This stretch is flat and easy to cycle, unless in a stronger westerly wind. You will frequently pass places where you can go swimming and refresh yourself in the lovely cool waters of the lake. Let your tour come to a pleasant end with a wander through the old town or an ice cream down at the harbour.

### **Day 8: Individual departure**

After breakfast you start your individual return journey home or extend your stay.
