Your tour

On this tour you cycle around the Obersee, the eastern, particularly flat part of Lake Constance. With an average of 40 kilometres per stage, you cycle at a very leisurely pace. You have enough time to discover all the places and sights at your own pace. Constance impresses with its picturesque old town. Flower lovers can experience a colourful plant paradise on the island of Mainau and technology enthusiasts will find what they are looking for in the Zeppelin city of Friedrichshafen. If you want to get up high, take the Pfänderbahn railway in the festival town of Bregenz. In between, numerous bathing spots and lidos promise a refreshing dip. As only a few services are included, this trip is available at a low price. For the comfort-conscious, there are two further accommodation levels to choose from.
