Stages description

Day 1: Individual arrival in Nuremberg

Nuremberg – thousand years of history: The old imperial town, with its mighty castle, famous churches and museums attracts tourists from all over the world. Right in the centre of this metropolis with half a million inhabitants, the town houses, proud churches, the castle and 5 km of walls that circle the town have all been resurrected.

Day 2: Nürnberg – Erlangen, approx. 30 km

The Regnitz Cycle Path begins directly in the old town of Nuremberg - the largest city in Franconia. Today you cycle north through green meadows and shady alluvial forests. On the sandy meadows typical of the Regnitz Valley you roll into the Huguenot, university and industrial city of Erlangen.

Day 3: Erlangen – Bamberg, approx. 55 km

With the Steigerwald on your left and Franconian Switzerland on your right, you cycle downstream through the Regnitz Valley and enjoy beautiful landscapes but also impressive weirs. Twice, at the Strullendorf lock and the Hirschaid hydroelectric power station, you cross the Main-Danube Canal.

Day 4: Bamberg – Neustadt, approx. 55 km + train ride or approx. 65 km

First you cycle a few kilometres back along the already known path. If you want to shorten today's section, you can take the train to Hirschaid (not included in price). Now follow the valley of the little river Aisch to Neustadt, where a billy goat makes an appearance every hour on the town hall clock.

Day 5: Neustadt – Rothenburg, approx. 55 km

In Bad Windsheim, take a break to visit the Franconian open air museum. Historic buildings have been rebuilt here and in the pub and in several beer gardens you can taste the locally brewed beer. If you still have a little room for a desert in the evening in Rothenburg, (aside from the obligatory beer), you should definitely try a Rothenburg snowball.

Day 6: Rothenburg – Wolframs-Eschenbach, approx. 65 km

You leave the romantic Taubertal valley and follow the „Burgenstraße“ cycle path. In Colmburg, the mighty Zollernburg castle towers over the town. From here you follow the Franconian Rezat to Ansbach, a splendid margrave residential town. You keep following the Burgenstraße to Wolframs-Eschenbach. There's a lot to see in this medieval town!

Day 7: Wolframs-Eschenbach – Nuremberg, approx. 65 km

Today you follow the Burgenstraße cycle path again, passing the moated castle in Lichtenau, and reaching Roth. Visit Ratibor castle before you follow the Main-Danube Canal to Nuremberg. The castle, which has accommodated numerous emperors and kings, overlooks the imperial city majestically.

Day 8: Individual departure

After breakfast you start your individual return journey home or extend your stay.
