Your tour

The five rivers Vils, Naab, Pegnitz, Altmühl and Danube define the route. Along the way there are some of Bavaria's best known cultural and scenic highlights. The old imperial city of Nuremberg, the Danube breakthrough at Kelheim and the striking cathedral in Regensburg are connected by well-developed cycle paths. Your wheels will roll almost by themselves. And what is the very special treat of a cycling tour through Bavaria? Of course, the excellent beer selection at your stage destination!

Stages description

Day 1: Individual arrival in Nuremberg

Nuremberg – thousand years of history: The old imperial town, with its mighty castle, famous churches and museums attracts tourists from all over the world. Right in the centre of this metropolis with half a million inhabitants, the town houses, proud churches, the castle and 5 km of walls that circle the town have all been resurrected.

Day 2: Nuremberg – Neumarkt, approx. 45 km

You leave the historical Nuremberg and roll along the Ludwig-Danube-Main Canal, a listed building, through beautiful nature to Neumarkt in the Upper Palatinate. A special landmark of the city is the castle ruin Wolfstein, which is enthroned on a mountain ridge. The old town with its striking church towers is always worth a visit.

Day 3: Neumarkt – Riedenburg, approx. 60 km

Today, they alternately drive along „oxbow lakes“ of the Altmühl, which captivate above all by their originality. Via Beilngries and Dietfurt you reach the three-castle town of Riedenburg, which lies at the foot of the ruins of Tachenstein, Rabenstein and Rosenberg.

Day 4: Riedenburg – Regensburg, approx. 55 km

The last few kilometres on the Altmühl cycle path take you to Kelheim. In Kelheim, you can visit the Liberation Hall or take a boat trip on the Danube to Weltenburg Abbey with its famous beer garden before cycling to Regensburg with its enchanting old town.

Day 5: Regensburg – Amberg, approx. 70 km

You leave Regensburg and cycle along the Naab river surrounded by meadows, forests and fields. On both sides of the river, Jura rocks up to 100 metres high tower over the lovely valley. At the castle ruins of Kallmünz a change of river is finally announced: Here the Vils flows into the Naab. Those who are keen on culture should take a break at the Hammerherrenschloss in Theuern before continuing on to Amberg.

Day 6: Amberg – Region Hersbruck, approx. 45 km

After a flat section today's stage has some uphill climbing in the game for you. You reach the 1000 year old town Sulzbach-Rosenberg, which was built on impressive rocks far above. After a short break in this town you cycle on through one of the regions with the most forests in Germany, the "Hersbrucker Schweiz". The town of Hersburg was a centre for hop-growing and -trade for over. centuries. Look up at the roofs: Some of the old wooden carvings still remind you of the hop-growing tradition.

Day 7: Hersbruck region – Nuremberg, approx. 35 km

The famous "watergate" shows you the way out of the town Hersburg and you cycle along the river Pegnitz through its beautiful valley. Castle Henfendfeld will watch over you from the top of a hill along the way. The town of Lauf at the river Pegnitz, the "gate to Franconia" is also worth a visit. Through glorious avenues, lined with many green trees, you cycle into Nuremberg.

Day 8: Individual departure

After breakfast you start your individual return journey home or extend your stay.
