Your tour

The Main cycle path is a typical river cycle path, that is perfect for a sporty bike tour: Without noticeable uphill climbs, you get on fast and the kilometers flow under your wheels. In only one week you cycle along the “white sausage equator” from the beer capital Bamberg to the stock city Frankfurt, that has more to offer than the modern skyline lets suspect.

Stages description

Day 1: Individual arrival in Bamberg

The medieval original town ensemble has been an UNESCO World Heritage site since 1993. One of the most important of the countless sites is the cathedral: Belonging to the principal German imperial cathedrals, it was sanctified in 1237 and accommodates the imperial grave of Heinrich II.

Day 2: Bamberg – Volkach, approx. 90 km

Just a few kilometres after leaving Bamberg, the Main cycle path takes you from the „Beer Franconia“ region to the „Wine Franconia“ area - all on your first day in the saddle. Speedy with a happy heart and a zest for life, you cycle on via Zeil am Main and Hassfurt along the vine-clad banks of the Main. If this section today is a bit too long as your „warm-up day“ you can cover some parts of the route by train.

Day 3: Volkach – Erlabrunn / Karlstadt, approx. 75 / 90 km

Your love of speed will boost you on to the pulsating town of Würzburg, via the wine-trading town of Kitzingen. As soon as you arrive in Würzburg you whizz up to Marienberg Castle for some beautiful views of the area. On the way from Würzburg to Karlstadt you'll see that even in the olden days people knew to love the Main region for their summer holidays. In Karlstadt you are sure to meet a lot of like-minded people. The historic city centre is a popular destination for bike tourists.

Day 4: Karlstadt – Wertheim, approx. 75 km

After the Maindreieck (triangle) comes the Mainviereck (square). And the first corner of the square is Gemünden. You are in Spessart Nature Reserve. You get great views of the area from the ruins of Scherenburg

Castle. The Main Valley gets narrower here and the countryside has a lot of forest and is peaceful and isolated. At Rothenfels, a Roman castle watches over the narrow valley and your route. Martkheidenfeld is characterised by its Franconian viniculture. You reach today's destination - Wertheim.

Day 5: Wertheim – Aschaffenburg, approx. 80 km

Just round the next bend in the river you see Stadtprozelten, home of one of the prettiest castle ruins on the Main, which looks over the town. Henneburg Castle. When you get to Miltenberg you might recognise the „Schnatterloch“ Marketplace and „Riesen“ guesthouse - as the town is particularly known for them. Next you head for the small town of Klingenberg and its vineyards, wine cellars and so-called „Heckenwirtschaften“ - wine taverns that open seasonally. You cycle along the Main cycle path to the Spessart Metropolis of Aschaffenburg. From afar already, the four towers marking each corner of Johannisburg Castle show you the way.

Day 6: Aschaffenburg – Frankfurt, approx. 55 km

Parks of gardens, allotments and villas are gradually replaced by restaurants and beer gardens. In Seligenstadt, it's worth taking a break: you shouldn't miss visiting the rose and herb garden at Einhard Basilica - and the medieval apothecary too! Just a bit further along the river and - once you've passed Offenbach - you'll soon find yourself in Frankfurt.

Day 7: Individual departure

After breakfast you start your individual return journey home or extend your stay.
