Stages description

Day 1: Individual arrival in Memmelsdorf, near Bamberg

Just a few kilometres before the gates of Bamberg, in „Franconian Tuscany“, you are welcomed by the pretty town of Memmelsdorf. To get into the mood of a cycling holiday through Beer and Wine Franconia, on your first evening you are invited to have a beer cocktail in the very traditional Drei Kronen brewery and pub (included).

Day 2: Memmelsdorf – Hassfurt, approx. 40 – 50 km

You cycle the short distance from Memmelsdorf to Bamberg. From there you continue along the Regnitz for a short while before you meet the Main River. The first vineyards along the way mark the transition from „Beer Franconia“ to „Wine Franconia“. Prettily located at the edge of the Hassberge Mountains, today's destination of Hassfurt awaits your arrival! Here you'll be able to visit the impressive Kreuztal Mariaburghausen Monastery or Hassfurt's Ritterkapelle Chapel.

Day 3: Hassfurt – Sommerach, approx. 55 km

The River Main is your constant companion today, as you pedal through the lovely countryside of this wine-growing region. A highlight today is the Volkach Main curve of the river and also Volkach itself - and its historic quarter. In Dettelbach, the pilgrimage church, Maria im Sand beckons. In the afternoon, you get to Sommerach, with its town walls and turrets it is one of Bavaria's prettiest towns. We have organised a wine tasting for you here between 14 and 18.00 (included).

Day 4: Sommerach – Sommerhausen, approx. 40 km

Cycling via the wine-trading town of Kitzingen, you mostly follow the Main, heading for the „sugar town“ of Ochsenfurt. You leave Ochsenfurt via the stone bridge over the Main. Rolling along, passing weirs, marinas and vineyards, you follow the right bank of the river. Pedalling through charming little villages. your way takes you to today's destination of Sommerhausen, which is surrounded by vineyards and orchards.

Day 5: Sommerhausen – Thüngersheim, approx. 35 km

This short section leaves you with more time for some sight-seeing. Make sure you have enough time for a stop in Würzburg: Stunning sights such as Marienberg Castle, St. Kilian's Cathedral, the Neumünster, the historic ensemble of the Lady's Chapel and Falcon House on the marketplace, the old Main Bridge and the traditional wineries in the centre of the historic quarter make Würzburg an absolute pleasure to experience. A „Brückenschoppen“ - a glass of wine on the bridge in Würzburg is included. You finish your day in the saddle in Thüngersheim, one of the biggest wine-growing towns in Franconia.

Day 6: Thüngersheim – Marktheidenfeld, approx. 65 km

Today, the official Main cycle path takes you on a varied route. You follow the curves of the river to the romantic small town of Karlstadt, to the „Three Rivers“ town of Gemünden in Spessart Nature Reserve, to Lohr on the Main with its historic buildings and Franconian half-timber framed houses and to the peace and quiet of the small remote villages in the hinterlands of both sides of the river. In the little town of Marktheidenfeld, let your day in the saddle come to a pleasant end with a glass of local wine.

Day 7: Marktheidenfeld – Würzburg, approx. 40 km

You cycle in towards the town of Wertheim, before you leave the Main for the time being and turn off into the Aalbachtal. Opposite to the direction that the small river flows, you pedal the slightly hilly way back to Würzburg. Here it is now time to say goodbye to the river Main and to end the trip with a glass of wine.

Day 8: Individual departure or extension of stay

After breakfast, you start your individual return journey home or extend your stay.
