Stages description

Day 1: Individual arrival in Bamberg

The medieval original town ensemble has been an UNESCO World Heritage site since 1993. One of the most important of the countless sites is the cathedral: Belonging to the principal German imperial cathedrals, it was sanctified in 1237 and accommodates the imperial grave of Heinrich II.

Day 2: Bamberg – Schweinfurt, approx. 60 km

You will be cycling through the valley, following the Main. Today's stage will leisurely take you through wine villages and orchards along the river. Later, you will cycle through Haßfurt and finally reach Schweinfurt in Lower Franconia, with its beautiful Holy Trinity church.

Day 3: Schweinfurt – Kitzingen, approx. 60 km

In the pilgrimage church Maria im Weingarten, which was built in the 15th century, you will find the famous floating Madonna in the Rosary by Riemenschneider. Volkach is the centre of the Maindreieck

wine region. The Main continues meandering along the valley towards Kitzingen, which is famous as it boasts the oldest wine cellar in Germany.

Day 4: Kitzingen – Würzburg, approx. 35 km

They usually drive directly along the Main towards the „sugar town“ Ochsenfurt and then roll steadily along the right bank of the river, accompanied by barrages, marinas and vineyards. Again and again you will pass charming little villages before finally reaching the pulsating city of Würzburg. This lively baroque and cultural city is surrounded by vineyards and dominated by the Marienberg Fortress.

Day 5: Individual departure

After breakfast you start your individual return journey home or extend your stay.
