Stages description

Day 1: Individual arrival in Passau, Passau – Engelhartszell (boat)

Welcome to Passau! Your journey by bike and boat on the Danube begins at the landing stage of the Three Rivers City. Embarkation on the MS Prinzessin Katharina takes place between 4.00 and 5.00 pm. Use the time before departure to Engelhartszell for a short exploration tour through the pretty old town of Passau.

Day 2: Engelhartszell – Brandstatt, approx. 45 km, Brandstatt – Bratislava (by boat)

In Engelhartszell it is worth visiting Engelszell Abbey - Austria's only Trappist monastery. The collegiate church is one of the most beautiful churches of the late Baroque period. Off on your bike! The route takes you along the Danube Cycle Path through the romantic river landscape of the Donauschlinge. Here the river almost seems to flow backwards. You cycle through small picturesque villages, past wooded slopes to Brandstatt. From the afternoon onwards, the boat takes you overnight to Bratislava.

Day 3: Round trip from Bratislava, approx. 55 km, Bratislava – Budapest (by boat)

Welcome to Bratislava, the capital of Slovakia! On a circular tour you first cycle to Hainburg. The small town is characterised by gates and towers that would probably have a lot to tell since they were built in the Middle Ages. The same goes for the ruins of the castle above the town. It looks back on a history of more than 1,000 years. Via Devin, also known for its castle ruins, we return to Bratislava. Enjoy the flair of the lively and colourful city before returning to the ship. During the night it takes you to Budapest

Day 4: Rest day in Budapest or cycle tour to Szentendre, approx. 50 km, Budapest – Vác (by boat)

A new day, a new capital! During the night, the MS SE-Manon has covered the distance to Budapest on her journey. Early risers can enjoy a great view of the Hungarian metropolis from the sun deck. Take

your time to explore the city and its numerous sights. An alternative to sightseeing is a cycling trip to the enchanting artists' town of Szentendre. At night, your ship leaves Budapest and sets off for Vác.

Day 5: Vác – Esztergom, approx. 50 km, Esztergom – Vienna (by boat)

After taking a look at the cathedral and the triumphal arch in Vác – the only one in Hungary – you cycle through the hilly landscape of the Danube Bend. Here the Danube squeezes between steep mountain slopes. You reach Visegrád, which welcomes you with its castle visible from afar. Esztergom is not only your stage destination, but also the former capital of Hungary. Particularly outstanding is the sublime cathedral, whose building history began over 1,000 years ago. In the afternoon you travel by ship overnight to Vienna.

Day 6: Rest day in Vienna, Vienna – Wachau (by boat)

Today the ship stays in place until the evening, so you can explore the Austrian capital at your own leisure. Discover the idyllic old town with its many historic buildings and monuments as well as beautiful squares and lovingly restored houses. Indulge your palate with delicious specialities in one of the many traditional coffee houses before returning to the ship. In the late evening, you will sail overnight in the Wachau to Dürnstein or Rossatz.

Day 7: Wachau – Melk – Pöchlarn, approx. 40 – 50 km, Pöchlarn – Passau (by boat)

On the last stage of your journey by bike and boat on the Danube, you will pass through the special landscape of the Wachau. The region, characterised by wine terraces, castles and monasteries, is one of the most beautiful in Austria and will inspire you. Take a longer break in the small town of Melk. The Benedictine Abbey there is one of the most beautiful Baroque ensembles in Europe - absolutely worth seeing! In Pöchlarn you board the ship for the last time, which will take you back to Passau overnight.

Day 8: Individual departure from Passau

Once again you will enjoy the morning silence of this impressive river on your journey by bike and boat on the Danube, before you reach

Passau at around 11:00 am. After disembarking, you will start your individual journey home.
