Stages description

Day 1: Individual arrival to Stockholm

After your arrival in Stockholm, take some time for a first tour of the town. The town hall with its striking corner tower is an example of Swedish national romanticism. Of particular significance is the parallel existence of architecture and water. Inside, you'll find not only the offices, conference rooms and halls typical of a town hall. In the Blue Room, for example, there is a great banquet held every year for the Nobel Prize winners. Wander through the narrow streets of the historic quarter in Gamla Stan on the island of Stadsholmen. In the next few days, discover one of the largest and best preserved medieval cities in Europe! In the evening there's a personal tourist information event and if you've booked bikes, they will be provided then.

Day 2: Stockholm – Vaxholm, approx. 30 km + ferry ride

Your first cycle tour through the archipelago begins directly after breakfast. It goes via Djurgården along the coast to Djursholm. This popular suburb of Stockholm impresses with its beautiful houses. A 30-minute ferry ride takes you to the Bogesund nature reserve. Visit Borgesund Castle here. Then take a short ferry ride to Vaxholm, the capital of the archipelago.

Day 3: Vaxholm – Rindö island – Värmdö, approx. 35 – 40 km + ferry ride

In the morning we take the ferry to the island of Rindö. After a short discovery tour, we continue to Värmdö. In the midst of the archipelago, many small towns and breathtaking nature await you. At the end of this stage, you will cross the impressive Djuröbron bridge and reach your hotel in Djurö, which has a fabulous view of the archipelago.

Day 4: Excursion to the island of Sandhamn, approx. 25 km + ferry ride

Your day begins with a 2-hour ferry ride to the popular island of Sandhamn. The island is a true summer paradise with magnificent villas, small alleys and nice places to eat and drink. Today you have the opportunity to explore the small island by bike or spend the afternoon here by the water. You return to Stavnäs on the same ferry.

Day 5: Värmdö – Saltsjöbaden, approx. 55 km

The next stage of your cycle tour through the archipelago takes you via Fågelbrolandet to Gustavsberg. The modern art museum Artipelag is nearby and always worth a visit. You continue over the large arched bridge over Skurusund to Saltsjöbaden. It is worth making a photo stop on the bridge. There are many beautiful bathing spots on the peninsula around Saltsjöbaden, which is why the place and the region are very popular with Stockholmers.

Day 6: Saltsjöbaden – Stockholm, approx. 35 km

You cycle along coastal paths to Erstavik. On the way, you cycle through a nature reserve and pass the UNESCO World Heritage Site Skogskyrkogården, a forest cemetery. Only a few kilometres separate you from Stockholm. You cycle via Södermalm and Långholmen into

the city centre to your hotel.

Day 7: Individual departure

After breakfast you start your individual return journey home or extend your stay.
