Your tour

Köttbullar, elks, Astrid Lindgren – who doesn't associate these things with Sweden? The country of unending forest and lakes has even more to offer. On this cycle tour along one of Sweden's biggest lakes you will discover the capital city of Stockholm and its surrounding areas. Cycling through varied countryside, you almost always have views of the water – either one of the many lakes or the sea. Following the traces of Swedish history from the Vikings to the present day, there is always a lot to discover: Drottningholm Castle and Stockholm's parks.
