Stages description

Day 1: Individual arrival to Rijeka, Rijeka – Island of Krk (boat), bike tour Krk, approx. 20 km / 240 hm

Embarkation between 11:00 and 12:00 in Rijeka. There will be a welcome by the tour guide with welcome drink and snack. In the afternoon, the ship takes you to Njivice on the island of Krk, where you start your first cycling tour. From Njivice you will cycle to Porat and back. You will spend the night in the port of Njivice.

Day 2: Bike tour on the island of Krk, ca. 45 km / 570 hm

After breakfast, you cycle from Njivice via Čičići to Vrbnik. The old town is situated on a rock on the east coast – just made for souvenir photos! The area is famous for the golden-coloured Zlahtina, a wine from the surrounding vineyards. Strengthened, we head uphill to the highest point of today's stage. From here you have a magnificent view of

the Baška valley, which stretches all the way to the southern end of the island. Then you will roll downhill to the harbour town of Krk. Your ship is already waiting for you there. You will spend the night in the harbour of Krk.

Day 3: Island Krk – Island of Rab (boat), bike tour on the island of Rab, approx. 40 km / 440 hm

A short boat ride takes you to Lopar, on the northern tip of the island of Rab. You will then cycle across the island, whose landscape is very contrasting: the side facing the Adriatic Sea is lushly forested, while the side facing the mainland of Croatia is very barren. The most beautiful town on the island is Rab, your destination, which you reach already around noon. Pretty little towers adorn the old town. After lunch on

board, you can explore the 1400-hectare Kalifront forest park with its holm oaks that are up to 1,000 years old. After the guided tour of Rab, you can have dinner in one of the restaurants.

Day 4: Island Rab – Island of Pag (boat), bike tour on the island of Pag, approx. 35 km / 350 hm

Today you will explore the island of Pag by bike and boat in Croatia. First you will sail from Rab to the northernmost tip of Lun and then get on your bike. Olive trees, lush meadows and stone landscapes accompany you to Novalja, where you take a break. Then you cycle on to Mandre to the ship. After lunch, you have the afternoon at leisure. Enjoy sunbathing on deck, discover secluded bays or try the island's famous Pag sheep's cheese.

Day 5: Island Pag – Island of Lošinj (boat), bike tour on the island of Lošinj, approx. 20 km / 220 hm

The day begins in a relaxed way with a four-hour crossing to the next island: Lošinj. Enjoy the view of Croatia from the water! On the way in a bay, have a delicious lunch on board. Finally arrived, you cycle through deep green pine forests and past romantic bays. Colourful flowers accompany your cycle tour across one of the sunniest places in Europe! The highlight of the round tour is the beautiful harbour town of Veli Lošinj. Back in Mali Lošinj you have the opportunity to have dinner in one of the numerous restaurants.

Day 6: Island of Lošinj – Island of Cres, approx. 55 km / 700 hm

Today you will not travel to the island of Cres by boat, but by bike. Both islands are connected by a bridge. You cycle from your ship to Osor, where you cross the swing bridge to the island of Cres. Your destination is the picturesque town of Cres. Around Cres there are beautiful beaches, which remind you of the Caribbean with their azure blue water. You will have enough time in the afternoon to discover them on your own. In the evening, the crew will be waiting for you with the captain's dinner.

Day 7: Bike tour on the island of Cres, approx. 10 km / 50 hm, Cres – Rijeka (boat)

The last stage of your bike and boat holiday in Croatia consists of a round trip from Cres Town to the village of Predošćica. There is a viewpoint where a magnificent view over the Adriatic Sea and the islands of Croatia awaits you. After lunch on board, your ship will drop anchor in a turquoise blue bay. Take advantage of the last bathing opportunity before you head for Rijeka.

Day 8: Individual departure from Rijeka

Disembarkation takes place after breakfast until 09:00. Afterwards you start your individual journey home or transfer to the airport.
