## Stages description

### Day 1: Individual arrival in Prague

Welcome to your bike tour from Prague! An early arrival in the Golden City is recommended, so you can also enjoy one of the most beautiful cities in Europe to the fullest. Stroll past the Astronomical Clock, across Charles Bridge to Prague Castle! From here you have a breathtaking view of the city. In the evening, try the famous Czech beer in one of the many small pubs.

### Day 2: Stay in Prague

The city's most well-known symbol is without doubt the Charles Bridge, which leads you into the old town. You can devote your attention to the world famous architectural ensemble, or try exploring Kafka's trails in the city, or enjoy a glass of beer in one of the local taverns in the old town. Don't forget to be close to the City Hall at noon and see Astronomical Clock in action.

### Day 3: Prague – Mělník, approx. 55 km + Boat trip

Today you follow the Vltava River, passing Troja Palace and riding through quiet floodplains. In Veltrusy, a baroque palace park invites you to take a break before you cross the river by ferry. Your destination is Mělník, picturesquely located above the confluence of the Vltava and Elbe rivers. With its castle, historic old town, and vineyards, the town is a center of Bohemian winemaking – enjoy the magnificent view from the castle hill.

### Day 4: Mělník – Litoměřice, approx. 50 km

The route continues, following the gentle curves of the River Elbe. Against the idyllic backdrop of the fortifications to Terezín, we are reminded of the town's terrible past: in the Jewish part of the town and in the concentration camp tens of thousands of people were killed. In the town of Litoměřice, today's destination, you can recover from the impressions of Terezín.

**Day 5: Litoměřice – Děčín, approx. 50 km**

Today you follow the Elbe cycle path into the hilly Bohemian countryside. At Ústí nad Labem the path takes you up an incline to Střekov Castle. Don't be perturbed by the climb, you will be rewarded at the top with wonderful views over the Elbe valley. Particularly worthy of mention is the English Garden at Velké Březno Castle and the Baroque Gardens at Děčín Castle.

**Day 6: Děčín – Pirna, approx. 45 km**

Today's section is a connection between the twinned towns of Děčín and Pirna. Soon after you leave Děčín, the Elbe begins its spectacular drop through the Elbe Sandstone Mountains. Erosion has caused the soft Elbe Sandstone to weather into all kinds of fantastic shapes. The view on the Elbe valley from the Königstein Fortress is truly breathtaking. Enjoy a walk through Pirna's old town with its painted facades.

**Day 7: Pirna – Dresden, approx. 25 km**

On your way to Dresden you are going to pass Castle Pillnitz, and the old Loschwitz bridge. During the trip you can enjoy the magnificent view of the Elbe valley. Afterwards you have a lot of time to explore Dresden, since the route for today is very short. Next to the historic buildings such as Zwinger, Opera and the rebuilt Church of our Lady the neighbourhood Neustadt is known for Dresden's modern and youth culture.

**Day 8: Individual departure**

After breakfast you start your individual return journey home or extend your stay.
