Stages description

Day 1: Individual arrival in Passau

Once you've arrived, why not saunter through the tranquil alleys of this seemingly Mediterranean city where Danube, Inn and Ilz meet. It has loads to offer for everyone interested in culture and history. We recommend you visit the Dome of St. Stephen which thoroughly dominates the cityscape, or the pilgrimage church of Mariahilf. Or, you could instead opt for a leisurely cup of coffee in the historic centre.

Day 2: Passau – Schlögen / Donauschlinge, approx. 40 – 55 km + Ferry ride

You start your tour on the northern bank of the Danube and cycle through the Upper Danube Valley to the small market town of Obernzell. A little later you cross the border to Austria and arrive in Engelhartzell with its famous Trappist monastery. At the Schlögener Schlinge, the Danube winds in a tight loop around a huge granite hill on which the romantic Haichenbach ruins are enthroned. From Au you cross over to the other bank by ferry and reach your stage destination.

Day 3: Schlögen – Enns region, approx. 70 km

The cycle path to Linz in Upper Austria takes you through the vegetable growing region of Eferdinger Becken. Leave the market communities of Aschach, Ottensheim and Wilhering behind you and then have enough time for lunch in Linz. Find a comfortable seat in any of the many pubs in the historic old quarter or visit the pilgrimage basilica in Pöstlingberg. Finally, cycle to Enns.

Day 4: Enns – Marbach / Maria Taferl, approx. 65 km

Today you will follow the Danube to Grein. The charming baroque town's historic theatre is Austria's oldest active theatre. Castle Greinburg, which is located directly on the riverbank, houses the Austrian maritime museum. The staterooms, the arcade court and the chapel are also worth seeing. You will then leave Upper Austria behind you and cycle to Marbach and the wine district.

Day 5: Marbach – Traismauer / Tulln, approx. 70 km

On today's stage you will cycle through Lower Austria and Melk - the gate to the Wachau region. The Benedictine Abbey Melk thrones above the Danube here. As one of the largest Baroque monasteries, it is a UNESCO world heritage site. Then you will cycle to the Wachau region, past small towns, orchards and vineyards. The 1000-year-old town Krems lies on route. A wine tasting rounds off your action-packed day.

Day 6: Traismauer – Vienna, approx. 65 km

Halfway through today's stage you reach the Roman town Tulln. Located amidst orchards, Tulln is also known as 'town of flowers', or 'town of roses'. After a short stay you will cycle further to Vienna. St. Stephen's Cathedral, the town hall and the Vienna Hofburg in the city centre, as well as Schönbrunn Palace with the palace gardens and the Gloriette are absolute highlights of the capital city.

Day 7: Aufenthalt in Wien

Two action-packed days await you in the royal and imperial metropolis. Take a bicycle excursion in and around Vienna's vineyards or explore the countless sights. Take a ride through the historical city centre in a traditional Fiaker horse-drawn carriage and enjoy a slice of Sacher cake in a classic Viennese coffee house. The possibilities are endless.

Day 8: Aufenthalt in Wien

Two action-packed days await you in the royal and imperial metropolis. Take a bicycle excursion in and around Vienna's vineyards or explore the countless sights. Take a ride through the historical city centre in a traditional Fiaker horse-drawn carriage and enjoy a slice of Sacher cake in a classic Viennese coffee house. The possibilities are endless.

Day 9: Individual departure

After breakfast you start your individual return journey home or extend your stay.
