Stages description

Day 1: Individual arrival in Innsbruck

Pfiat di in Austria! Grab your bike and explore Innsbruck, famous for the Golden Roof. Located near the Inn River, bike through Innsbruck Old Town, which is characterized by town houses and densely built narrow streets. Stroll through Innsbruck Hofgarten, a listed park on the edge of the old town.

Day 2: Innsbruck – Strass / Zillertal, approx. 50 km

On the first stage of your cycling vacation in Austria, you will follow the Inn Cycle Path. You can take a break in the small town of Hall. Visit the historic old town and the landmark, the Münzerturm. It is part of Hasegg Castle, which houses a coin museum. Cycle at a leisurely pace to the next highlight of the tour. Visit the Swarovski Crystal Worlds in Wattens. In chambers of wonder, you will experience the fascination that comes from crystals. In the park there is a crystal cloud made of 800,000 crystals - impressive! Your destination for the day, Strass, is located at the entrance to the Zillertal.

Day 3: Strass – Krimml, approx. 25 – 45 km + transfer

Surrounded by mountain peaks, the bike path leads you through the Zillertal. You will reach the village of Zell am Ziller in a relaxed manner. In the early afternoon, a transfer takes you over the Gerlos Pass to Krimml. During the ride you can take a look at the Krimml Waterfalls. After arriving at your hotel, take a hike to Austria's highest waterfalls. Lookouts offer you breathtaking views of the thundering masses of water.

Day 4: Krimml – Kaprun / Zell am See, approx. 60 km

Get on your bike right after breakfast. You will cycle leisurely along the Salzach River through the Hohe Tauern National Park. Lush green meadows and small idyllic villages alternate and offer a fairy-tale backdrop with the snow-capped three-thousand-meter peaks in the background. Once in Kaprun, you will visit the castle, the town's landmark, which sits majestically on a hill. Are you still in the mood for a hike? Then go on a voyage of discovery through the Sigmund Thun Gorge (not included).

Day 5: Kaprun – Lofer, approx. 55 km

You leave the upper Salzach valley and follow the natural course of the Saalach river. The route takes you through the Saalfelden basin and through the pilgrimage place, Maria Alm. Saalfelden is the biggest town in the Pinzgau area. We recommend taking a small detour to the Seisenberg gorge, where the Weissenbach river has channelled a deep course through the limestone rocks over thousands of years.

Day 6: Lofer – Salzburg, approx. 50 km

Today the course of the previously calm river changes. In Unken, the river breaks through the Stone Lake or Steinerne Meer as it is known locally. You continue to reach the spa town of Bad Reichenhall. The river forms a natural border here between Germany and Austria. Cycling through the riverside meadows of the Saalach, you reach the Festival City of Salzburg. Follow the traces of Wolfgang Amadeus Mozart or enjoy the Hohensalzburg castle.

Day 7: Individual departure

After breakfast you start your individual return journey home or extend your stay.
