## Your tour

How many islands are there in the South Fyn Archipelago? It is almost impossible to count them. You will definitely get to know five of them on this trip: Fünen, Ærø, Skarø, Drejø and Als. You will have a wonderful time cycling around the Little Belt. You will visit Odense – the home of Hans Christian Andersen – dive into the „Danish South Sea“, which is one of the most beautiful sailing areas of the Baltic Sea and have enough time to discover one or the other castle on Funen, the „Garden of Denmark“.
