## Stages description

### Day 1: Individual arrival in Fåborg

The cozy harbor town of Fåborg is the starting point of your bike tour. After arriving at the hotel, grab your bike and explore the old town. From the medieval city fortifications still exists the Vesterport, one of the few preserved city gates in Denmark. The landmark of the city is the Klokkeårnet. Climb the bell tower and enjoy the magnificent view over Fåborg and the sea.

### Day 2: Excursion to the island of Lyø and Avernakø

Today we are going to the Danish South Sea! With the ferry (not included) you first head for Lyø. Cycle through the main town of Lyø By, characterized by ponds and half-timbered houses, and the Klokkesten. The bell stone, dating from the Neolithic period, can be made to ring by striking it. A ferry ride (not included) further on lies Avernakø. The two-part island is in no way inferior to the charm and idyll of Lyø.

### Day 3: Fåborg – Ærø – Svendborg / Troense, approx. 25 / 50 km + boat trips

Today's stage begins with a boat trip to the island of Ærø. The hyggelige island will delight you. Don't miss the chance to try the airy pancakes, a speciality of the island, before you leave the island again.

### Day 4: Excursion to the island Skarø, approx. 5 km

First you go to the ferry port in Svendborg, from where you take the boat to the island of Skarø, where very few people live. Take your swimsuit with you and don't miss a visit to Skarø Is - Britta and Martin sell their organic ice cream with birch juice in their farm shop and café. A must!

### Day 5: Excursion to Lundeberg and the island of Tåsinge, approx. 45 / 60 km

On today's excursion you cycle along the coast to Lundeberg. On the way, you can take short breaks at the beaches of Skårupøre and Elsehoved - don't forget your swimsuit! The landmark of Lundeberg is the packing house at the idyllic harbor. Away from the coast you cycle back to Svendborg. Stay in the saddle, because you will quickly reach the island of Tåsinge via the Svendborgsund Bridge. Especially worth seeing is the Valdemars Slot directly at the sea.

### Day 6: Svendborg – Fåborg, approx. 35 km

On today's stage you cycle partly through the seaside suburb of Rantz- ausminde towards the west. Already after the village of Ballen you will come to a small beach where you can unpack your swimsuit. Through slightly hilly terrain, the route leads very varied through small towns partly off the coast back to Fåborg. The Fåborg city gate Vesterport is one of only two preserved city gates in Denmark.

### Day 7: Individual departure

After breakfast you start your individual return journey home or extend your stay.
