Stages description

Day 1: Individual Arrival in Sønderborg

Your cycling holiday in Denmark begins in Sønderborg on the Flensburg Fjord, not far from Germany. Visit the castle of the same name, one of the oldest royal castles in Jutland, built directly on the water.

Day 2: Sønderborg – Åbenrå / Rodekro, approx. 40 km

Today's route is relaxed and takes you through forests and wide fields over the Sundewitt peninsula. A visit to Sandbjerg Castle, one of the most elegant palaces in Southern Jutland, is worthwhile. Åbenrå captivates with its charming town houses and craftsmen's houses.

Day 3: Åbenrå – Christiansfeld, approx. 50 / 75 km

Today you cycle first to Haderslev. The medieval old town on Haderslev Dam has many cafés and a walk along the medieval reservoir. Back on the saddle, you cycle comfortably through the quiet area to Christiansfeld.

Day 4: Christiansfeld – Middelfart, approx. 45 / 65 km

After leaving Christiansfeld, you cycle through the wooded region to Kolding. From afar you can already see the massive tower of the old royal castle Koldinghus. Passing Kolding Fjord and via Skærbæk, you cross the Little Belt just before you reach your destination for the day, Middelfart.

Day 5: Middelfart – Odense, approx. 55 / 65 km

Visit the Henner Friisers Hus in Middelfart. It is considered one of the most beautiful half-timbered houses in Denmark. You cycle along the coast to Strib with its small lighthouse. Take a short break on the beach: with a bit of luck you will see porpoises. It continues through idyllic landscapes until you reach Odense, the third largest city in the country. If you want to shorten the stage, follow route 6 out of Middelfart to Odense today (- 7 km).

Day 6: Odense – Fåborg, approx. 50 km

Along the river Odense the route takes you through the suburbs out of Odense. In Brobyværk you should plan a break. You can eat well at Brobyværk Kro and after the stage has been flat so far, you will soon reach the so-called „Funen Alps“. Through a beautiful nature reserve, the route here is hilly through the glacial moraine landscape to Fåborg.

Day 7: Fåborg – Sønderborg, approx. 45 / 35 km + ferry ride

With its narrow, cobbled streets, Fåborg is one of the oldest and most idyllic small towns in Denmark. In Bøjden you board the ferry to the island of Als and then cycle via the harbour town of Høruphav to Sønderborg.

Day 8: Individual departure

After breakfast you start your individual return journey home or extend your stay.
