Your tour

The journey takes you to and off the North Sea coast of Schleswig-Holstein, to its Hallig islands and islets. You will get to know the Hallig Hooe and Langehees. In addition, you can take an excursion to the island of Föhr or the island of Amrum – just as you like. Another highlight of this trip is an excursion to the seaside resort of St. Peter-Ording. It is known nationwide for its kilometre-long beach, its unique pile dwellings and the numerous kite and windsurfers. Despite the fact that you will be cycling almost without any ascents, you can expect some strong winds, which can make cycling difficult at times.
