Stages description

Day 1: Individual arrival in Treves

Welcome to the Moselle! Founded more than 2000 years ago, the Roman heritage of the oldest German city can be felt at every corner. A special testimony to the Roman era is the Porta Nigra, the Black Gate. Trier's landmark is the ideal starting point for an extensive exploration of the city. Visit the Imperial Baths, the Roman Bridge, the Trier Cathedral and gain insight into the life and work of probably the most famous Trier man in the Karl Marx House.

Day 2: Treves – Zeltingen, approx. 75 km

Full of vigour, you will follow the numerous meanders of the Moselle today. A first stopover is worthwhile in Neumagen-Dhron, the oldest German wine-growing community. The village was once used by the Romans as the site of a fort and as a landing stage for ships. The Neumagen wine ship in the town centre still bears witness to this today. A wooden replica of the ship is moored in the harbour. Your weekend cycle tour along the Moselle continues to Piesport, a wine village that is also famous beyond the region. Visit the Roman wine press before travelling on to Bernkastel-Kues. You will remember this

little half-timbered town with its narrow streets and colourful houses for a long time to come. Before you reach your destination for the day, Zeltingen, it is worth visiting the ruins of Landshut Castle above the town - including a view of the Moselle valley.

Day 3: Zeltingen – Treis-Karden, approx. 85 km

The longest stage of your weekend cycle tour on the Moselle lies ahead of you today. But don't worry, thanks to the few climbs, you will make rapid progress. After just a few kilometres, you can take a break in Traben-Trarbach. The town with its half-timbered houses and charming Art Nouveau villas boasts the most beautiful riverside promenade on the Moselle. In Zell, you not only reach the narrowest Moselle loop, but also the largest wine-growing town in Germany with over four million vines. The route continues to Cochem, whose impressive Reichsburg castle will catch your eye from afar. You will also be impressed by the Moselle cathedral in Treis-Karden, your destination for the day.

Day 4: Treis-Karden – Coblenz, approx. 40 km and individual departure

On to the last stage of your weekend cycle tour on the Moselle! Just a few kilometers after your start, you can take a detour off the Moselle cycle path. Eltz Castle, one of the most beautiful and impressive castles in Germany, awaits you there. Back on the Moselle, you cycle relaxed to your destination of Koblenz. The city on the Deutsches Eck, where the

Moselle flows into the Rhine, can look back on more than 2000 years of eventful history. Part of this history is the Ehrenbreitstein Fortress, which can be easily reached by cable car across the Rhine. Departure is in the afternoon. You have the option of departing directly, returning to Trier on your own or booking an extra night in Koblenz. A return transfer can be booked as an option.
