Itinerary / Services

Your tour:

In 6 days you cycle around the complete lake and get to know three countries and different landscapes, mostly the panorama of the Alps in sight. You discover medieval cities like Constance, Stein am Rhein, Meersburg and Lindau and visit the world's biggest lake-stage in Bregenz. You can access the lake almost everywhere so there will be numerous opportunities to refresh yourself with a dip in the water.

Day 1: Individual arrival in Constance

Take the opportunity to visit the island of Mainau, wander through Constance's old town or visit the aquariums in the Sea Life Center and go to the Archaeological Museum.

Day 2: Constance – Stein am Rhein – Radolfzell, approx. 55 km

Cycling along the southern bank of the lower lake, you pedal through picturesque Swiss fishing villages to Stein am Rhein with pretty frescoed medieval houses. From Stein am Rhein you cycle along the Höri peninsula, where Otto Dix and Hermann Hesse used to live and work. You are heading for today's destination, the former Imperial but now spa town of Radolfzell.

Day 3: Radolfzell – Friedrichshafen, approx. 60 km

From here, you cross the Bodanrück range of hills and encounter a very short incline. Arriving at the so-called Überlinger See, part of Lake Constance, you are rewarded for your efforts with beautiful views of the lake. Known here as the Swabian Sea. Enjoy a break in Überlingen and an ice cream on the pretty promenade. Today's destination, Friedrichshafen, has a great Zeppelin Museum we can recommend visiting. It tells you everything there is to know about the history of these air ships.

Day 4: Friedrichshafen – Höchst, approx. 60 km

Today you cycle through extensive orchards, through Langenargen with its pretty Montfort Castle, built in the Moorish style. Shortly after you reach the Bavarian town of Lindau, whose harbour is watched over by a 6-metre high lion. The entire old town lies on an island. You should take the next break in Bregenz, the capital town of the Vorarlberg region of Austria, famous for its annual festival on the world's largest lake-stage.

Day 5: Höchst – Constance, approx. 50 – 60 km

The last day of your tour takes you through Romanshorn which is home to Switzerland's largest harbour on Lake Constance. Now you continue on along the banks of Lake Constance back to Constance. This stretch is flat and easy to cycle, unless in a stronger westerly wind. You will frequently pass places where you can go swimming and refresh yourself in the lovely cool waters of the lake. Let your tour come to a pleasant end with a wander through the old town or an ice cream down at the harbour.

Day 6: Individual departure or extension of stay

After breakfast, you start your individual return journey home or extend your stay.
