# Itinerary / Services

## Your tour:

This tour is just right for cyclists who don't want to be moving to a new place every day. Although you will be staying in accommodation in or close to Constance, you will be able to explore the entire lake by the boats of the "White Fleet". Your travel documents include interesting tour suggestions for each day. We promise this holiday on Lake Constance will not be boring!

Many of the most popular sights as well as some boat trips are included in this tour. You can choose whether you want to try out our tour suggestions or put a tour together yourself. As each daily tour is planned individually and any number of rest days can be scheduled as you want, this tour is ideal for families.

## Day 1: Individual arrival in Constance

Your home for the next few days is Constance, the biggest town on Lake Constance. The medieval old town remained unspoiled from bomb attacks during the war and is still very much intact even today. Wander through the narrow streets of the oldest part of the town, Niederburg, visit the Münster cathedral and admire the "Imperia" at the harbour - a 9-metre high statue which refers to a noble courtesan who lived in the town during the times of the Council of Constance.

## Day 2: Constance – Meersburg – Lindau, approx. 50 km and back by boat

Today, you go by car ferry to Meersburg and from there you cycle to Friedrichshafen. From here, you follow the Lake Constance cycle path to Langenargen and through lovely little villages such as Wasserburg and Nonnenhorn to Lindau, the Bavarian lakeside "metropolis". The historic town centre is a popular destination for visitors. In the afternoon, a ferry takes you back to Constance.

## Day 3: Day trip to Mainau Island, approx. 15 km

First you explore the "flower island" of Mainau. Bikes are not allowed on the island: simply park at the entrance and access the island via the bridge. Countless flowers bloom here - tulips in spring, roses in summer and dahlias in the autumn. But the castle, the palm garden, the butterfly house, the Arboretum and many other attractions are waiting to be explored.

## Day 4: Constance – Überlingen – Salem – Meersburg – Constance, approx. 55 km + boat and ferry trip

First you cycle to Wallhausen where a boat takes you to Überlingen on the other side of the lake. Always along the side of the lake, you continue to the abbey church, Birnau, where you get wonderful views of the lake. Along the so-called "Prälatenweg" takes you on a pleasant ride to Salem, where not just the castle awaits but Affenberg (lit. monkey hill, not included) with over 200 semi-wild Berber monkeys! From Meersburg, take the car ferry back to Constance.

## Day 5: Constance – Reichenau Island – Stein am Rhein – Constance, approx. 50 km + boat trip

Your first destination is the island of Reichenau, a UNESCO World Heritage Site since 2001. A boat takes you to the Höri peninsula, to Gaienhofen where you can visit the Hermann-Hesse house. Next you cycle along the Höri peninsula via Hemmenhofen where Otto Dix lived for a while and then on to Stein am Rhein. The return trip takes you through Swiss fishing villages back to Constance.

## Day 6: Individual departure

After breakfast, you start your individual return journey home.
