## Your tour:

Welcome to Bavaria! The most popular German region with its white-blue flags, relaxed pace and warm hospitality. The region with the most beer breweries, but also the region of history and Baroque churches. Welcome to a whole „new Bavaria“, nothing like the old clichés! The almost untouched landscape will impress you with its diversity and contrariness. The five rivers you will follow are the rivers Vils, Naab, Altmühl, Pegnitz and the famous Danube. Take your time for all the old small towns, the romantic villages and the changing landscapes. Enjoy the rough charme of the Upper Palatine, romantic Franconia and the specialities of the Bavarian cuisine.

## Day 1: Individual arrival in Nuremberg

Nuremberg – with a history of a 1000 years: The old free city with its grande emperor castle, famous churches and museums attracts lots of tourists year after year. In the old part you will find pretty town houses, proud churches, the castle and the old town’s wall, which is a ring of 5 kilometres around the inner part of the city.

## Day 2: Nuremberg – Neumarkt, approx. 35 km

You leave the historical Nuremberg and roll along the Ludwig-Danube-Main Canal, a listed building, through beautiful nature to Neumarkt in the Upper Palatinate. A special landmark of the city is the castle ruin Wolfstein, which is enthroned on a mountain ridge. The old town with its striking church towers is always worth a visit.

## Day 3: Neumarkt – Riedenburg, approx. 55 km

Today, they alternately drive along "oxbow lakes" of the Altmühl, which captivate above all by their originality. Via Beilngries and Dietfurt you reach the three-castle town of Riedenburg, which lies at the foot of the ruins of Tachenstein, Rabenstein and Rosenberg.

## Day 4: Riedenburg – Regensburg, approx. 60 km

A once in a lifetime nature experience awaits you with the wild and romantic Danube breakthrough near Kelheim, which you can experience by boat (not included). A visit to the Weltenburg Monastery and the oldest monastery brewery in the world (not included) should also be planned. Then follow the Danube via Bad Abbach to Regensburg. During a walk over the bumpy cobblestone pavement you can hardly get enough of all the historical buildings.

## Day 5: Tag: Regensburg – Kreuth / Amberg , approx. 50 / 65 km

You leave Regensburg and cycle along the Naab river surrounded by meadows, forests and fields. On both sides of the river, Jura rocks up to 100 metres high tower over the lovely valley. At the castle ruins of Kallmünz a change of river is finally announced: Here the Vils flows into the Naab. Those who are keen on culture should take a break at the Hammerherrenschloss in Theuern before continuing on to Amberg.

## Day 6: Amberg – Hersbruck region, approx. 60 / 45 km

After a flat section today’s stage has some uphill climbing in the game for you. You reach the 1000 year old town Sulzbach-Rosenberg, which was built on impressive rocks far above. After a short break in this town you cycle on through one of the regions with the most forests in Germany, the “Hersbrucker Schweiz”. The town of Hersburg was a centre for hop-growing and -trade for over centuries. Look up at the roofs: Some of the old wooden carvings still remind you of the hop-growing tradition.

## Day 7: Hersbruck region – Nuremberg, approx. 35 km

The famous “watergate” shows you the way out of the town Hersburg and you cycle along the river Pegnitz through its beautiful valley. Castle Henfendfeld will watch over you from the top of a hill along the way. The town of Lauf at the river Pegnitz, the “gate to Franconia” is also worth a visit. Through glorious avenues, lined with many green trees, you cycle into Nuremberg.

## Day 8: Individual departure or extension of stay

After breakfast, you start your individual return journey home or extend your stay.
