Itinerary

Your tour:

Hallertau is the biggest hops-growing region in the world and a very appealing cycling region. Danube, Isar and Abens form an easy circular tour with the UNESCO World Heritage town of Regensburg as your start and destination. The traditional monastery breweries of Weihenstephan and Weltenburg are very suitable stops for a little beer tasting.

Day 1: Individual arrival in Regensburg

Your tour begins in Regensburg, the most northern town on the Danube. This town is considered Germany's best preserved city and has been declared a UNESCO Heritage Site. Take some time to explore the lovely parks and gardens as well as the historic old town.

Day 2: Regensburg – Straubing, approx. 50 km

The Danube curves its way gracefully through the wide expanse of the countryside and you cycle alongside. Take a short break at Walhalla, which King Ludwig I had built, before setting off for today's destination at Straubing, the capital of the "Gäuboden" region. Every year in summer the popular Gäubodenfest is celebrated here.

Day 3: Straubing – Deggendorf – Plattling, approx. 50 km

Soon after setting off, you reach Bogen, which is famous for the finding of a statue of the pregnant Madonna. Continuing on you go through Pfelling and Mariaposching to finally arrive at the gate to the Bavarian Forest: Deggendorf, Gothic and Baroque characterise the old town. From here it's only a few kilometres to Plattling.

Day 4: Plattling – Landau – Landshut, approx. 70 km

Right along the banks of the Isar you cycle to Dingolfing, whose townscape is characterised by the Late Gothic Church of St. Johannes. Through expansive fields of hops, you cycle on to Landshut, today's destination. The ducal residential town was considered more important than Munich for many hundreds of years and shines even today with its magnificent buildings in the wonderful Gothic town centre.

Day 5: Landshut – Freising, approx. 40 km

The Isar accompanies you to Moosburg, where, from afar, the towers of the Münster and the Johannes Churches make you think you could be arriving in a cathedral city rather than simply a busy little town. In Freising, too, a mighty cathedral awaits - and is easily recognised as such. No wonder, as 1000 years ago, the town was considered the spiritual centre of Bavaria as the residence of the Prince-Bishopric.

Day 6: Freising – Abensberg / Bad Gögging, approx. 65 / 70 km

Today, you leave the Isar and cycle through the fields of hops of the Hallertau region to the north, over to Abens, a small secondary river to the Danube. You pass Mainburg monastery, which despite its name is on the Abens river and not the Main. The lovely old town of Abensberg is very inviting. Take a stroll and a wander through its pretty streets in the evening.

Day 7: Abensberg / Bad Gögging – Regensburg, approx. 65 / 60 km + boat trip

Along the Danube to Weltenburg Monastery, where Mother Nature has something special in store: the Danube Gap, where the Danube curves its way through the massive Jura rock. Fortify yourself in the monastery beer garde before taking the boat through the Danube Gap to Kelheim whereupon you pedal the last few kilometres on your bike.

Day 8: Individual departure or extension of stay

After breakfast, you start your individual return journey home or extend your stay.
