Itinerary / services

Your tour:

Do you have the time and the inclination for a two-wheel challenge? Then it's time to set off on your round trip through the Allgäu. Follow the well-paved cycle paths through the alpine upland. First you head east and visit the famous Castles Neuschwanstein and Hohenschwangau near Füssen. In Füssen you turn north and cycle along the beautiful Forggensee Lake towards Marktoberdorf, before you find your way through Kempten and Wangen back to Lake Constance. Keep up your strength with the regional delicacies along the way, such as Allgäu Kässpätzle (cheese pasta) or the sweet-tasting Nonnenfüzle pastry (literally: a nun's fart!).

Day 1: Individual arrival in Kressbronn / **Nonnenhorn**

Your tour begins on Lake Constance, in the idyllic small town of Kressbronn. Plan your arrival early, so that you have enough time to stroll through the little old town, take a swim in Lake Constance or maybe even take a trip to Friedrichshafen, and visit the famous Zeppelin museum.

Day 2: Kressbronn – Oberstaufen, approx. 65 km

You cycle briefly along the lakeside to Lindau, with its old town situated on an island, but soon leave Lake Constance to cycle along the Bodensee-Königssee cycle path up to the Allgäu hills. You pass lush meadows with happily munching cows to Oberstaufen, just as one imagines the Allgäu should be. In the show dairy, you can find out how they make their delicious cheese and even try some.

Day 3: Free day in Oberstaufen

Enjoy a great day in the Allgäu region. The Oberstaufen-card offers you numerous advantages. You can go for a short hike, take a cable car to one of the mountain tops or just relax in the outdoor pool. Staying in the Allgäu region means pure holiday feeling!

Day 4: Oberstaufen – Nesselwang – Füssen, approx. 75 km

The section begins along even ground and takes you through the valley of the Konstanzer Ach river to the Großer Alpsee Lake. From there you head to Immenstadt passing the foothills of the Grünten mountain, also known as the Allgäu's watchman. You cycle a while along Rottachsee Lake and at Oy-Mittelberg, have reached the highest point of the tour. From here it's not long to this section's destination, Füssen and its famous sights: Neuschwanstein Castle and its "little sister", Hohenschwangau Castle! You should not miss those impressive fairy tale castles! Our tip: It is best to book your tickets in advance.

Day 5: Füssen – Kempten, approx. 70 km

Along Forggensee, Germany's biggest reservoir and the steam train circular, you cycle to Marktoberdorf. From there you cycle through Kempten Forest, encountering a number of inclines before you arrive in Kempten. Today's destination, Kempten, was founded by the Romans as the town of Cambodunum, and is one of the oldest towns in Germany. A guided tour of the staterooms of the residence is worth it - which include profane and sacred elements.

Day 6: Kempten – Wangen im Allgäu – Kressbronn / **Nonnenhorn** , approx. 100 km

You cycle along a disused railway track in the Württemberg part of the Allgäu, up to the European watershed of the Rhine and the Danube. Take a break in Isny, a town on the Upper Swabian Baroque route - always worth a visit, before cycling along the Danube-Lake Constance cycle path to Wangen. Afterwards you cycle through the Tettngang hops area, the most southern hops-growing area in Germany. Through orchards you cycle back to Kressbronn.

Day 7: Individual departure or extension of stay

After breakfast, you start your individual return journey home or extend your stay.
