Itinerary / services

Your tour:

This athletic bike tour takes you along the Altmühl and the Danube to follow one of Germany's most popular cycle tours. You will love the towns of Rothenburg ob der Tauber and Regensburg! A particular highlight is a trip through the romantic Altmühl valley and seeing the charming Gäuboden countryside. Your destination is the three-river town of Passau, which features a still intact historic quarter.

Day 1: Individual arrival in Rothenburg

Rothenburg ob der Tauber is the epitome of medieval town romantics and has been immortalized by artists such as Spitzweg and Richter. Be guided through the town in the evening by the night watchman and learn all kinds of interesting facts about life in Rothenburg back in the day.

Day 2: Rothenburg – Gunzenhausen, approx. 80 / 90 km

You start in the Taubertal valley and set off for the nearby Altmühl spring. Passing Zollernburg in Colmberg, you cycle through the Franconian Lake District, which came about due to a project to balance out Bavaria's water resources. You cycle on via medieval Herrieden to your destination, Gunzenhausen.

Day 3: Gunzenhausen – Eichstätt, approx. 70 km

On today's section, the valley gets narrower. The Altmühl cuts its way deep into the rocks and the twelve apostles – an impressive formation of the rock here – is waiting to be admired! You will continue to pass magnificent castles on the way to Eichstätt, a former diocesan town, with delightful Baroque architecture.

Day 4: Eichstätt – Riedenburg, approx. 75 km

In Eichstätt take the opportunity before you leave to visit the Jura museum, which has lots of fossils of dinosaurs from the area. Your cycle tour takes you through a wonderful nature reserve, the core of the Altmühl Valley, passing Kipfenberg Castle. Via Beilngries and Dietfurt, where you follow the Altmühl through the Main-Danube canal, you quickly get to Riedenburg, known as the pearl of the Altmühl valley.

Day 5: Riedenburg – Regensburg, approx. 55 km

You cycle along the canal to Essing, which features Europe's longest wooden bridge. Just round the corner is the Schulerloch stalactite cave, bedroom to bats in the winter - but can be visited in the summer. After a short section cycling, you soon arrive in Regensburg. The town is considered Germany's best-preserved major town and has been declared a UNESCO World Heritage Site.

Day 6: Regensburg – Deggendorf, approx. 95 km

The Danube curves its way gracefully through the wide expanse of the countryside and you cycle alongside. In Straubing, the capital of the "Gäuboden" region, take a break before tackling the last few kilometres of the day. You finally arrive at the gate to the Bavarian Forest: Deggendorf, Gothic and Baroque characterise the old town.

Day 7: Deggendorf – Passau, approx. 55 km

Today's route includes the small historic town of Vilshofen, which you might have heard of in connection with the CSU Chairman, politician Strauss' Ash Wednesday speech. You will soon reach your destination of the three-rivers town and former diocesan town of Passau. Let your tour come to a pleasant end with a walk through the old town.

Day 8: Individual departure or extension of stay

After breakfast, you start your individual return journey home or extend your stay.
