## Your tour:

Discover Lake Constance, Zurich Lake and Walensee Lake. Enjoy the variety and similarities of this international route winding through the countries on the banks of Lake Constance - Germany, Switzerland, Liechtenstein and Austria. From the Mediterranean flair of Lake Constance to the high mountains of the Churfirsten, you will find there is a lot to see on this route, which is also easy to cycle.

## Day 1: Individual arrival in Constance

Take the opportunity to visit the island of Mainau, wander through Constance's old town or visit the aquariums in the Sea Life Center and go to the Archaeological Museum.

## Day 2: Constance – Schaffhausen, approx. 50 km

Following the side of Lake Constance, you pedal to Stein am Rhein with its frescoed, medieval houses. Switching several times between Germany and Switzerland you reach the canton's capital, Schaffhausen. The town, whose citizens competed with each other in building gables on their houses, is overlooked by Munot fort.

## Day 3: Schaffhausen – Rhine Falls – Zurich, approx. 70 km

After breakfast, it's a short cycle ride to the Rhine Falls, one of Europe's biggest waterfalls. You can get a boat right up close to the mighty roar of the water. Next, you follow Glatt Valley, which takes you to Zurich, Switzerland's fascinating and very cosmopolitan city. It unites tradition with modernity and its unspoiled historic quarter is very inviting, thanks to the many cafes and bars here.

## Day 4: Zurich – Lachen, approx. 45 km

You cycle along the northern bank of Lake Zurich along the so-called golden coast to Rapperswil. Take a break here and go up to the old castle. From there you have lovely views of Lake Zurich and the countryside. From Rapperswil, you cross the lake via the dam and then cycle along the opposite bank a bit further to the small town of Lachen.

## Day 5: Lachen – Walenstadt, approx. 25 km + boat trip

The Linth Canal, an artificial waterway between Lake Zurich and Walensee lake was built at the beginning of the 19th century to prevent flooding from the Linth and its tributaries. In Weesen you go on board a boat which takes you to Walenstadt, where you stay overnight. The Churfirsten rise high up over Walensee Lake - which is perfect for swimming.

## Day 6: Walenstadt – Feldkirch, approx. 50 km

Today you're going to be out and about in three different countries: After only a few kilometres, you reach Alpenrhein Valley, which you follow to the Principality of Liechtenstein. After about 25 km you will have pedalled through the entire length of the country and are at the border to Austria. From here it's just a short cycle to Feldkirch.

## Day 7: Feldkirch – Altstätten – Gais – St. Gallen, approx. 45 km + train ride

You cycle along the Rhine for a while and then a rack-and-pinion train takes you up to Gais in Appenzell. Mountain pastures and cows characterize the pretty scenery on your way to St. Gallen. The Abbey Church library is considered one of the most important historic libraries in the world. It is home to about 160,000 books – one of which is the oldest German book.

## Day 8: St. Gallen – Arbon – Constance, approx. 45 km

Enjoy the downhill stretch to Lake Constance and your arrival near Arbon. Following the banks of the lake almost all the way, you cycle through apple orchards and the small towns of Arbon and Romanshorn back to Constance. This stretch is flat and easy to cycle, unless in a stronger westerly wind. You will frequently pass places where you can go swimming and refresh yourself in the lovely cool waters of the lake.

## Day 9: Individual departure or extension of stay

After breakfast, you start your individual return journey home or extend your stay.
