# Itinerary / services

## Your tour:

Start looking forward to a cycle holiday full of relaxed cycling, landscapes in various shapes of green and historic old towns along the Danube. Your family holiday starts in Donauwörth. Pay a visit to the island of Ried, before hitting the road to the old towns of Dillingen and Lauingen. Near Günzburg a very special highlight awaits you: The millions and millions of Lego-bricks, set into different sights and exciting attractions of the amusement park will not only be fun for your kids but as well as for you. Your final destination, Ulm, awaits you with a high climbing goal: The 768 steps that lead the way up to the highest church tower in the world.

### Day 1: Individual arrival in Donauwörth / Wörnitzstein

Welcome to Swabia! Welcome to the Bavarian part of Swabia, of which many people haven't heard yet. Donauwörth is the start of your family holiday. The heart of the town is the historic quarter and the island of Ried in the river Wörnitz. Take a stroll through town and have a look at the old buildings or visit the Käthe-Kruse-Puppet-Museum which will not only inspire your kids.

### Day 2: Wörnitzstein – Dillingen / Lauingen, approx. 45 / 50 km

Your first cycle stage will lead you through the meadow landscape to Höchstädt. How about a jump into the water in one of the many lakes right and left of the Danube? Dillingen is located at the northern part of the Donauried. The golden hall of the former university is a reminder of the wealthy time of the bishops in Dillingen. Lauingen is called "home of the towers" and is also a quiet and idyllic place.

### Day 3: Lauingen – Günzburg – Legoland – Günzburg, approx. 35 / 50 km

Today has a lot to offer: More than 25 millions of the small, colourful pieces of Lego. If you want to you can take a short break in Günzburg, before entering the goals of the amusement park Legoland. Miniature landscapes, miniature versions of famous cities and places, the many sights were built in between the roller coaster rides and other attractions. Do you fancy a ride?

### Day 4: Günzburg – Ulm, approx. 30 km

On your way to Ulm, your holiday's destination, you will see it from afar: The highest church tower in the world. The magnificent interiors are as fascinating as the view from the top of the tower. 768 steps will lead you to the top, from where you will enjoy a fantastic view. If the weather is right, you might also see the mountain tops of the Alps! But that's not all Ulm has to offer – you have to take a walk through the old Fishermen's quarter and may also pay a visit to the unique museum of bread (not included).

### Day 5:

Your time at the Danube unfortunately ends after your breakfast. If you want to stay a little longer, we are happy to book an extra night for you in Ulm or in one of the other stops along your way.
