Itinerary

Your tour:

Your daily trips start in Svendborg, the port town in the South of the island of Funen. Get to know the South Funen Archipelago and the many small islands within it. The beautiful island of Ærø is on your itinerary as well as trips to the natural paradises

Day 1: Individual arrival in Svendborg

Svendborg, Funens second largest city, is the starting point of your cycle tour. The Anne Hvides Gård is the oldest house in town and is easily recognisable. You should also visit the Sejlskibsbroen by the harbour - the pier harbours many old sailing ships. At Naturama you can learn more about Northern Europe's diverse fauna.

Day 2: Trip to Egeskov castle, approx. 55 km

The first part of your trip will take you in the direction of Rantzausminde. Cycling inland you will pass the Hvidkilde Sø and the Egeskov Mølle, a 19th century Dutch mill. Today's destination is Egeskov Slot, one of the most beautiful moated castles in Europe. During the visit (included) you will get to have a look at the magnificent rooms and many a curiosity. Go for a relaxing walk through the large park before you cycle back to Svendborg.

Day 3: Trip to the island of Ærø, approx. 40 – 65 km + Ferry rides

Today you take the ferry (included) to the South Funen Archipelago. Your first destination is Ærøskøbing, the oldest town on the island. You can decide if you want to cycle around the entire island, or if you only want to visit the eastern or western half of the island. Whether you visit the seafaring town of Marstal, the cliffs of Voderup Klint, the hunting lodge Søbygaard, the lighthouse of Skjoldnæs, or the beautiful Ærøskøbing - The island of Ærø is perfect for going on a relaxed cycling trip. Later on the ferry (included) will take you back to Svendborg.

Day 4: Trip to the islands of Skarø and Drejø, approx. 20 km + boat trips

For a second time this week, you leave Svendborg by ferry (included), this time it will take you to the island of Skarø. Leave your bike near the harbour and explore the island and its beach meadows, dunes, and sandy reefs. The next stop on today's trip is the island of Drejø. Cycle along the steep coast in the west of the island, Bækskilde beach in the south, and the old harbour on the north side of the island. Similar to yesterday, you will be taking the ferry back to Svendborg.

Day 5: Trip to Lundeberg and the island of Tåsinge, approx. 55 km

Enjoy the view of the islands Thurø and Langeland while you cycle along the coast and towards Lundeberg. The Packhaus, a half-timbered warehouse from the 19th century, is the landmark of Lundeberg. Once you are back on your bike you cycle to the island of Tåsinge. Valdemars Slot is located close to the sailing town of Troense and was once built for the king's son Valdemar. Today it houses a museum.

Day 6: Day off / Trip to the island of Hjortø

Today you could take a ferry (not included) to Hjortø - Denmark's smallest inhabited island. The small island is a paradise for people who love nature. During a walk you will encounter rare species of flora and fauna, while always being able to see the sea. Would you rather go cycling on the island of Langeland or go swimming at Smørmosen beach on Thurø Island? What about a sea kayak tour around Svendborg or a trip to Fåborg? You can do whatever you would like to do on the last day of your cycling holiday in Denmark!

Day 7: Individual departure or extension of stay

After breakfast, you start your individual return journey home or extend your stay.
