Itinerary

Your tour:

Here you can explore three islands: the car-free island of Hiddensee, Rügen - with its well-known chalk cliffs - and Usedom with its princely sea bathing areas. Explore the white sandy beaches, numerous sights and charming countryside.

Day 1: Individual arrival in Stralsund

The starting point of your cycle tour is the old Hanseatic town Stralsund, whose old town was declared a UNESCO World Heritage site because it has been so beautifully preserved. Its former importance as a trading town can still be seen today. Let your evening come to a pleasant end in the old town and wander across the harbour island, where the old sailing-school ship, the Gorch Fock can be visited.

Day 2: Day trip to Hiddensee Island

In the morning, you take the ferry to Hiddensee Island, where you go on a trip by bike to the 28-m high lighthouse called „Leuchfeuer Dornbusch“, or simply spend a day swimming at the beach. In the afternoon, a ferry takes you back to Stralsund.

3. Tag: Stralsund – Bergen, approx. 40 km

Today you go to the second island of your journey: The island of Rügen, the largest in Germany, is quickly reached from Stralsund. You follow the path along the shore of the Kubitzer Bodden. Your stage destination lies in Bergen in the centre of the island. On the outskirts of the town, on the 91-metre-high Rugard, you will find the Ernst-Moritz-Arndt Tower, from which you have a beautiful view of the entire island of Rügen.

4. Tag: Bergen – Binz – Sellin / Göhren, approx. 40 / 45 km

The stage takes you back to the Baltic Sea. But first you cycle between the Great and Small Jasmund Bodden, which are connected by a lock at Lietzow. You cycle along the coast and via Prora, where the buildings will amaze you, you reach the Mönchgut peninsula. Look forward to Rügen's largest seaside resort in Binz and to Rügen's longest pier in Sellin, which extends almost 400 metres into the sea. Today's destination, Göhren, awaits with long beaches of the finest sand imaginable.

Day 5: Day on the beach or hiking on the Mönchgut peninsula

Mönchgut peninsula is surrounded by the Baltic Sea on three sides and is one of Rügen's wonderful secrets. The diverse countryside has a lot to offer. You can decide spontaneously what you feel like doing: a relaxed day swimming at the beach or a short walk through the dunes, over the heaths into the woods. No matter how you decide, you're sure to like it!

Day 6: Göhren – Greifswald, approx. 50 km + train ride and ferry trip (ferry trip not incl.)

Today, you continue in a relaxed manner: in Göhren you take the steam train, Racing Roland, to Putbus. Here you get on your bike and follow pleasantly level ground to Glewitz, where you take a small car ferry (not included in price) back to the mainland. You cycle the last few kilometres to the old Hanseatic town of Greifswald.

Day 7: Greifswald – Wolgast, approx. 50 km

Today you continue cycling along the Baltic coast. Your first stop could be in Lubmin - as there's a great beach and you can while away some time underneath the large shady trees. It's not far to today's destination - the gate to the island of Usedom. Let your evening come to a pleasant end in the historic old quarter of Wolgast, part of which is on an island.

Day 8: Wolgast – Heringsdorf / Mellenthin on Usedom, approx. 40 / 50 km

Via Peene bridge you reach the sunny island of Usedom and cycle along Krummin Wiek to Krummin and from there to the Baltic resort of Zinnowitz. From here, you follow the wooded coastline with lots of opportunities to stop and rest on a sandy beach or go for a dip in the sea. You have reached your destination when you get to the magnificent Imperial seaside resorts. [Alternatively you can stay overnight in Mellenthin.](#)

Day 9: Individual departure or extension of stay

After breakfast, you start your individual return journey home or extend your stay.
