Itinerary

Your tour:

On this more athletic tour, you can look forward to dunes, great sandy beaches, cliffs and the coastal resort architecture so typical of the Baltic Coast. You cycle over 550 km along the coast and on Rügen. The focus of this tour is on cycling. This tour is suitable for people who enjoy cycling and are not put off by longer stretches in the saddle. Enjoy beautiful views of the Baltic Sea, the well-known chalk cliffs on Rügen and the old Hanseatic towns.

Day 1: Individual arrival in Lübeck

This cycle tour along the Baltic Coast starts in an old and gracious Hanseatic town that was named a UNESCO World Heritage Site in 1987. People will know you are talking about Lübeck if you mention the Holsten Gate, marzipan and Thomas Mann. Bite into a yummy fish roll to start your holiday mood!

Day 2: Lübeck – Wismar, approx. 75 km + ferry trip (not included)

You continue along the coast, through Brooker Wald nature reserve to Boltenhagen, where you have views of the entire bay from the cliffs. You continue, mostly along the coast, to the old Hanseatic town of Wismar. From here we recommend a short trip to Poel island to explore its long sandy beaches and go for a swim.

Day 3: Wismar – Rostock, approx. 85 km

On the way to Kühlungsborn, cliffs and beautiful beaches alternate along your path, offering great views or great swimming. Just before Nienhagen is the "haunted forest" - a mixed forest of trees that have taken weird and wonderful shapes because of the age-old influence of the salty, moist sea air and the stormy winds. You cycle to Rostock via Warnemünde.

Day 4: Rostock – Barth, approx. 95 km + ferry trip (not included)

Via Warnemünde you cycle to Wustrow, on the Fischland-Darss peninsular, the former border between Mecklenburg and Pommern. Discover Darss woods and the romantic of the wild west beach, which is considered to be one of the most beautiful beaches in the world. Via Zingst you cycle back to the mainland, to the former Swedish town of Barth.

Day 5: Barth – Stralsund – Bergen, approx. 80 km

From Barth you drive along the Baltic Sea towards Rügen and already from far away the three towers of the Hanseatic city of Stralsund greet you. Your way now leads you to the largest German island. Your stage destination is Bergen in the centre of the island. On the outskirts of the town, on the 91-metre-high Rugard, you will find the Ernst-Moritz-Arndt Tower, from which you have a beautiful view of the entire island of Rügen.

Day 6: Bergen – Kap Arkona – Breege / Glowe, approx. 70 / 80 km + ferry trip (not included)

From Berge you first cycle to the Wittow ferry, which takes you to the Wittow peninsula (not included). On the northern part of the island of Rügen is the Cape Arkona, one of the most popular destinations on the island. The white cliffs rise up to 43 meters high. Afterwards we go to the coastal town Breege. A dreamlike and quiet place where you can let your soul dangle. Alternatively you can spend the night in Glowe.

Day 7: Breege – Sellin / Göhren, approx. 40 – 60 km

You cycle to Sassnitz first today. The famous chalk cliffs north of the town should not be missed. The typical characteristics of the buildings on the Baltic Coast are classicist elements, woodcarvings and long sea piers, which whisk you back into the 19th century. In Sellin you can walk out into the sea along the almost 400-m long pier - before you pedal on to reach Göhren.

Day 8: Göhren – Stralsund, approx. 75 / 80 km

Today you'll cross the southern part of Rügen island at a pace. Take a break in Putbus and go for a walk through the 200-year-old castle park, which was landscaped according to French design. In Altefähr, you can already see the unmistakable silhouette of Stralsund.

Day 9: Individual departure or extension of stay

After breakfast, you start your individual return journey home or extend your stay.
