Itinerary / Services

Your tour:

Discover the three Alpine countries of Switzerland, Liechtenstein and Austria on this easy tour through the mountains. Cycle through the wine villages nestled in the beautiful Bündner Herrschaft countryside, held in esteem because of the red wines produced here and famous because of the Heidi books. Enjoy the relaxed atmosphere here, where the Rhine River is on holiday.

Day 1: Individual arrival in Constance

Take the opportunity to wander through Constance's old town or visit the aquariums in the Sea Life Center and go to the Archaeological Museum.

Day 2: Constance – Splügen – Bondauz, approx. 45 km + transfer

At the beginning of your first bike stage, a transfer will take you up into the mountains to Splügen. Here you get on your bike and comfortably roll downhill, following the river Rhine through the Graubünden region to Bonaduz. On the way you pass by the gorge of Viamala - carved deep into the rock by the river Rhine.

Day 3: Trip to Disentis, approx. 55 km + train ride

This stage will take you up and above: About 700 meters of altitude difference have to be mastered. In the morning you take the train to Disentis. It's quite a rugged route you take, especially the first half, as it follows an unmade-up road. You follow the Vorderrhein through the Rhaeto-Romanic Alpental Valley. Shortly after Ilanz the route takes you up a long, but not very steep, hill. Once you've reached the top, you are immediately rewarded with the sight of the canyon-like Rhine Ruinalta ravine, before you return to Bonaduz.

Day 4: Bonaduz – Vaduz, approx. 55 km

Today your route takes you along the Alpine Rhine through Switzerland for a while, until you reach the Principality of Liechtenstein in a leisurely ride. The fourth smallest state in Europe is known for its medieval castles and mountain panoramas. When you arrive in the capital of Liechtenstein, Vaduz Castle welcomes you immediately. It is the symbol of Vaduz, and towers over the city.

Day 5: Vaduz – Feldkirch – Arbon, approx. 65 km

Today you're going to be out and about in three different countries: After a short time you will have cycled through Liechtenstein, which is only 25 km long, and continue cycling through Austria back into Switzerland. Here the route takes you slowly downhill to Lake Constance, which welcomes you with its many sailing boats on the glittering water.

Day 6: Arbon – Constance, approx. 30 km

Following the banks of the lake almost all the way, you cycle through the small town of Romanshorn back to Constance. This route is flat and, with the exception of strong west winds, easy to master. Again and again you come to bathing spots where you can refresh yourself in the cool water.

Day 7: Individual departure or extension of stay

After breakfast, you start your individual return journey home or extend your stay.
